## INVITATION TO BE A SPONSOR OF THE NORDIC POULTRY CONFERENCE 2025

Norway is hosting the annual Nordic Poultry Conference (NPC) on 4th-6th of November 2025. The conference will take place at Thon Hotel Oslo Airport (Balder allé 2, 2060 Jessheim).

The program for the conference appeals to poultry producers, industry employees, consultants, veterinarians, poultry researchers etc. from all the Nordic countries. In recent years, an increasing number of attendants from other European countries have also attended NPC. The number of participants is a maximum of 300 people, and we expect the conference to reach its maximum capacity. As a sponsor for the Nordic Poultry Conference, you can meet many current and potential customers from all Nordic countries. To keep the price of the conference and the ticket-price for the participants at a reasonable level, we are relying on sponsor-funds. We therefore hope you and your company will sponsor this year's conference.
